

**Laboratory Technician Assistant**  
**Blackhawk Technical College Library**  
**2015 – 2016**

## **Periodicals**

*Clinical Lab News*  
*Microbe*

## **Online Databases**

### **Access Science**

- Includes authoritative reference articles, comprehensive scientist biographies, late-breaking science and technology developments, as well as links to recommended best places on the Internet for further study.
- Also available in the BTC library reference collection as McGraw-Hill online Encyclopedia of Science & Technology
- Can be accessed at the library's home page by opening "Online Reference Materials" and scrolling down
- A search using the term "laboratory" produces over 900 results.
- [Access Science](#)

### **BadgerLink**

- Includes a broad range of information sources, especially periodical indexes, as well as statewide (WISCAT) and worldwide (WorldCat) catalogs, and other reference resources.
- Can be accessed at the library's home page under "Online Reference Materials"
- Wisconsin residents may link directly at: <http://www.badgerlink.net>.

### **Career and Technical Education (ProQuest)**

- Emphasis on trade journals
- Full text periodical articles include those from *Chemist & Druggist*, *Drug Topics*, *Nutrition and Food Science*, and *Pharmaceutical Technology*.
- Access at the library's home page by opening "Article Search."
- [Career and Technical Education](#)

### **Films on Demand**

- Link on the library's main web page as well as Search for Books and Audio Visual Materials
- Includes + 22,000 films, available streaming online 24/7 for BTC students
- **A search of the term "laboratory" will produce nearly 400 film segments and introduce you to laboratory settings that you may never have imagined!**
- [Films on Demand](#)
