Online Databases

BadgerLink

- Badgerlink contains EBSCOhost, 30+ databases that provide abstracts and full text articles.
- EBSCO includes Consumer Health Complete, Health Source – Consumer Edition, and Nursing and Allied Health Collection Basic and MEDLINE.
- Available at the library’s home page under “Online Reference Materials”
- Wisconsin residents may link directly at this address: <http://www.badgerlink.net>.

Career and Technical Education

- Emphasis on trade journals
- Open library web page, then click on “Article Search.”
- Includes full text coverage of more than 400 titles, including: *Academic Pediatrics, Nursing Standard, and Pediatric Nursing*.
- [Career and Technical Education](#)

CINAHL

- Cumulative Index to Nursing and Allied Health Sciences,
- Provides indexing of over 1200 professional journals in nursing, 17 allied health disciplines, and health sciences librarianship, with coverage back to 1982.
- It does not have as many full text resources as other indexes, but is more complete than others in the number of nursing and allied health titles it includes.
- Open library web page, then Search for Articles.
- [CINAHL](#)

Films on Demand

- Link directly on the library's home page, or click on "Online Reference Materials" and scroll down
- Includes + 22,000 films, viewable on your computer
- Under the category, **Health & Medicine**, a search for "Nursing" will yield 262 films available streaming online 24/7 for BTC students
- [Films on Demand](#)

Health Reference Center Academic (Infotrac)

- Its subject search organizes articles by their topics and subtopics.
- Found by clicking "Article Search" link on library's home page and scrolling down
- [Health Reference Center Academic](#)

Ovid Nursing Journals Collection

- More than 50 full text nursing journals
- Open library web page, then click on "Article Search."
- Open Ovid Nursing Journals Collection, then [BTC Full Text Nursing Journals@Ovid](#)
