

From what I expected, this course ranks as follows:

1. Excellent. I am really learning alot.
2. O.K. It meets my expectations.
3. It is not as good as expected.

The book and course materials are:

1. Helpful and easy to understand.
2. Average
3. Hard to understand.
3. Opinion Scale/Likert: The information taught in this course...

The information taught in this course is:

1. Important, useful and up-to-date
2. Not sure right now
3. A waste of my time

The class is moving at a pace which I would describe as:

1. Well paced
2. Too fast for me
3. Too slow for me

The instructor's explanations are:

1. Clear and easy to follow
2. Sometimes hard to understand
3. Very difficult to understand

The instructor:

1. Listens and connects effectively with students
2. Usually listens to students
3. Does not listen or care about student concerns

The tests for this course are:

1. Appropriate learning opportunities
2. Sometimes hard to understand
3. A waste of my time

The Blackboard course components are set up to allow me to readily find what I need to know.

1. Agree
2. Neither Agree nor Disagree
3. Disagree

Written assignments and projects for this course are:

1. Appropriate learning opportunities
2. Sometimes hard to understand
3. A waste of my time

Student Self Assessment: I am putting forth a reasonable effort for this class (reading the book, utilizing the learning resources)

1. Yes
2. Most of the time
3. Not really

The following learning resources were beneficial in meeting course competencies. Select all that apply.

- ATI Skills Modules
- Evolve resources - CD with text or Evolve website
- ATI textbook
- Nursing Fundamentals textbook
